Producer Extended Responsibility - GERMANY

EFT-Systems GmbH, company registered in Germany, (HRB 15183) has been appointed by BYD Electronics, company registered in China, as producer extended responsibility agent acting on their behalf, as described in the EU Battery Directive 2006/66/EC.

This agreement covers Industrial Batteries under the brand 'BYD Battery Box Premium' www.bydbatterybox.com. These are Lithium Iron Phosphate batteries.

EFT Systems is registered as a battery producer in Germany in the stiftung-ear Register. Registration number DE 88485017. Please quote this number and EFT-Systems GmbH, in your invoices for BYD Battery Box products when selling them in Germany.

Take Back Free of Charge

EFT will collect, free of charge upon the consumer's explicit request, any BYD Battery-Box inside the German market. The consumer must be able to provide a valid serial number for each module.

The consumer will request this 'take back' by registering in www.eft-systems.de. In the cases that the consumer is not able to register directly, their installer will request this 'take back' on their behalf.

EFT will provide a free collection from the location where the batteries were first introduced into Germany. Whenever possible EFT will collect the battery directly from the site where it is installed.

If you have any questions please contact takeback@eft-systems.de.
